

**WILL-KAN PONY BASEBALL LEAGUE
RULES FOR 2021**

All games will be governed by Will-Kan Rules. IHSA rules will apply when Will-Kan rules do not address a particular situation. **CUT OFF DATE IS APRIL 30TH .**

1. The ten run rule will apply after the required amount of innings has been played to make the game official. A fifteen run rule will apply for the Mustang Division. Complete game for Mustang is 3 ½ innings. Complete game for Bronco/Pony is 4 ½ innings. **Official start time will be determined by the umpire after coaches have met at home plate prior to the beginning of the game.**
2. In the Mustang Division, teams will be allowed to score only five runs per inning for the first three innings, and allowed unlimited number of runs the last three innings.
3. There will be no BALK rule for the Mustang Division.
4. In the Mustang Division “only”, runners may steal bases, but may not leave the base they are occupying until the pitched ball has reached home plate. Once the pitcher steps on the rubber, runners who leave the base too soon will be called out and the ball is dead. **After a walk, the batter can only go to first base until the next pitch unless a play is made on a runner on base or an overthrown pass ball.** Runners on base can advance at their own risk. “No Delayed Steals” – Any runner stealing a base must make his break for the base he is stealing before the catcher is in the motion of throwing the ball back to the pitcher. In case of an over throw, the ball is in play for all runners including the runner on third and player that went first. Also, no stealing home unless there is a pass ball, or a play made on any runner.
5. **For all divisions**, a player must play two- (2) full innings and take one (1) turn at bat. If any player is denied this opportunity, his team shall forfeit the game. No forfeit shall occur for this reason, if the game is shortened for any legitimate reason, and the player(s) would have fulfilled his/their-playing requirement had the game been played for the full number of scheduled innings.
6. In the Mustang Division play, when the umpire calls “Infield Fly Rule” the batter is out, and the ball is dead. The runners must return to their bases.
7. NO DROP THIRD STRIKE IN MUSTANG DIVISION.
8. **All divisions** will play continuous batting. In the case of continuous batting, a player is not out for any injury or illness; but will be counted out for leaving the game early. In case of a suspended game, if using continuous batting, new or injured players may not be inserted anywhere in the batting order except to the bottom of the order. Any team playing with less than 9 players may insert another player(s) at ANTIME during the game. He must be put at the bottom of the batting order.
9. Games can only be postponed for any emergency, weather conditions or a school activity, which would bring the team to less than 9 players. Games will be an official game with 8 players. All postponed games must be rescheduled within one week and played within two weeks, or the league President will direct when and where the game will be played. If the games are not played, the team that cannot play will forfeit. Any game that starts with less than 9 players, the open batting position will be counted as an out.
10. All games called due to weather, darkness, light restriction, or anything else out of the control of the manager’s without the game being an official game; will be a suspended game, and will be completed from the point in which the game was stopped.
11. FOR ALL DIVISIONS, a pitcher hitting three batters per inning will be removed from pitching and will not be allowed to pitch for the remainder of the game.

12. A sub can only be **brought up** from a lower division ONLY TO BE THE 9TH OR 10TH PLAYER AND CANNOT PITCH. **A player rostered to an upper division, cannot go back down to their age group.**
13. A player may be pulled up to reach 9 or 10 players not to exceed a total of 10 players. In order to play on a tournament team, a rostered player must play in over 75% of the games played that season. The only exception will be in the case of an injury that forces the original rostered member of a team to not meet the requirements. If there is any question to the validity of a player, the scorebook of that team will be used as proof. High School age eligible are not penalized for not play 75% of games.
14. No player will be allowed to play for another team within its own team's age group.
15. No player will be allowed to wear metal cleats in any division.
16. It will be the umpire's judgment if a player should be warned or ejected for "coming in hard" into a base. He should be removed if the attempt was to injure a player. A runner maliciously running into a player is automatically ejected from that game.
17. All players must wear a supporting cup. No game may proceed until all required protective equipment is properly used.
18. The home team manager shall notify the visiting manager and umpires at least one and one-half hours before game time barring any unseen weather changes if field is unfit to play.
19. Games must begin at their scheduled time. Games not started within 15 minutes due to lateness of an umpire, coach or a team of the scheduled time; the game will be rescheduled at the field of the team that did not violate the rule. The team that violated the rule must pay for the umpires. Umpires should insist on hustling of players between innings so that games will not drag out in length.
20. A courtesy runner may be used for the catcher after two outs in the inning. It must be the player, who made the second out of the inning, unless it is the catcher, in which case, the runner would be the first out.
21. The Bronco Division will have one BALK warning per pitcher per game. The Pony Division will have no BALK warnings. Any balk resulting from the hidden ball trick – no warning.
22. When a player or anyone involved on the playing field is obviously hurt badly, the umpire and only the umpire may stop play. Upon resumption of the game, the umpire will assign runners to appropriate bases and record outs that, in the umpire's opinion, would have resulted had the game not been stopped during a "live ball" situation.
23. The home team's score book is the official score book unless the umpire in charge has reason to believe that the home team scorer is in error.
24. Physical and/or verbal abuse or intimidation by any game participant toward any other game participant shall result in immediate ejection from the game. Participants shall include players, team members, managers, coaches, umpires, parents, and fans. If a coach touches another player from another team in an inappropriate manner, it must be brought up before the Will-Kan Board.
25. Negative comments, conduct, team profanity or harassment from the bench or on the playing field directed towards the other team will not be tolerated. Managers and coaches will have the responsibility for their own fan's behavior. Failure to do this will result in their ejection. Good Sportsmanship will be expected at all times.
